Get the Terms Right

- **Unit Test**
- **Test Driven Development (TDD)**
  - Test First Development
- **Behavior Driven Development (BDD)**

Unit tests for existing code	Test-first (TDD)	Behavior-Driven

Getting Started

- **What you already need to know**
  - http://jliberty.me/JavaScriptFS
  - Pluralsight courses on Angular
- **What hardware you need**
- **What software you need**
- **Where to get everything**
- **Finding documentation**
- **Finding Help**

Summary

- **Motivation**
- **What you need to know**
- **What equipment and software you need**
